# J O Y

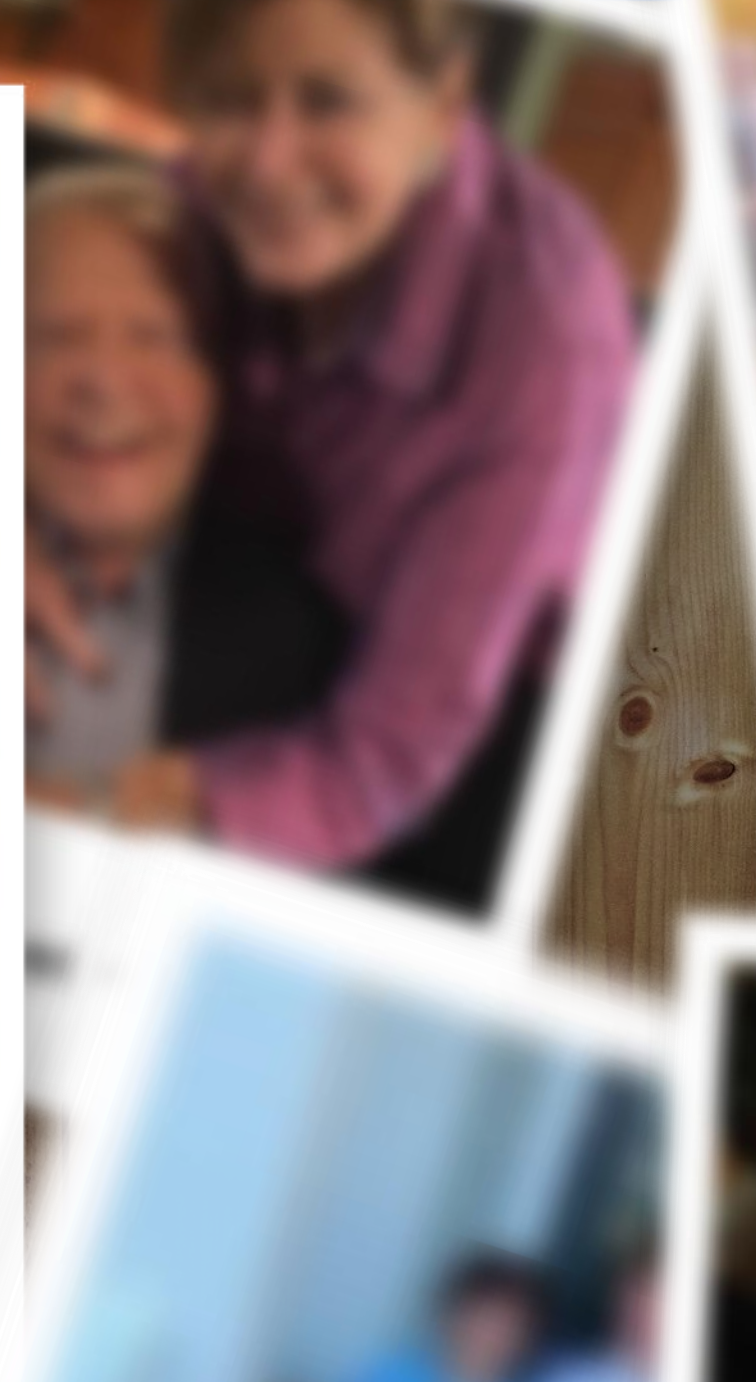

The word "JOY" is written in large, bold, yellow capital letters. The letter "O" is uniquely styled, consisting of four concentric circles. From the outermost to the innermost, the colors are yellow, orange, red, and a darker red. In the center of the innermost circle is a portrait of John O'Leary, a man with short grey hair, smiling. The background of the portrait is a soft, hazy sky with a hint of a sunset or sunrise.

A black and white photograph of a man with white hair, wearing a suit jacket and a collared shirt, sitting in a crowd. He is looking slightly to his right with a slight smile. The background is filled with other people, some of whom are holding up their phones, suggesting a public event or a press conference. The overall tone is serious but the man's expression is calm.
