

# Food, Agriculture & Beverage Practice

Lockton provides innovative risk management solutions that protect the stability and security of the food supply chain.

We bring deep industry expertise coupled with global market access, sophisticated analytics-based solutions and an eye toward innovation. It's this combination that sets Lockton apart.

### LOCKTON'S FOOD, AGRICULTURE & BEVERAGE PRACTICE BY THE NUMBERS

Lockton is known as an industry leader in organic growth, but our growth is really a retention story.

Our teams bring the same passion, creativity and responsiveness for long-term clients that we do for new accounts. Food, agriculture and beverage is all our team does. This level of focus, the resulting expertise gained, and the amount of attention given to our clients are unmatched.
