

Professional & Executive Risk

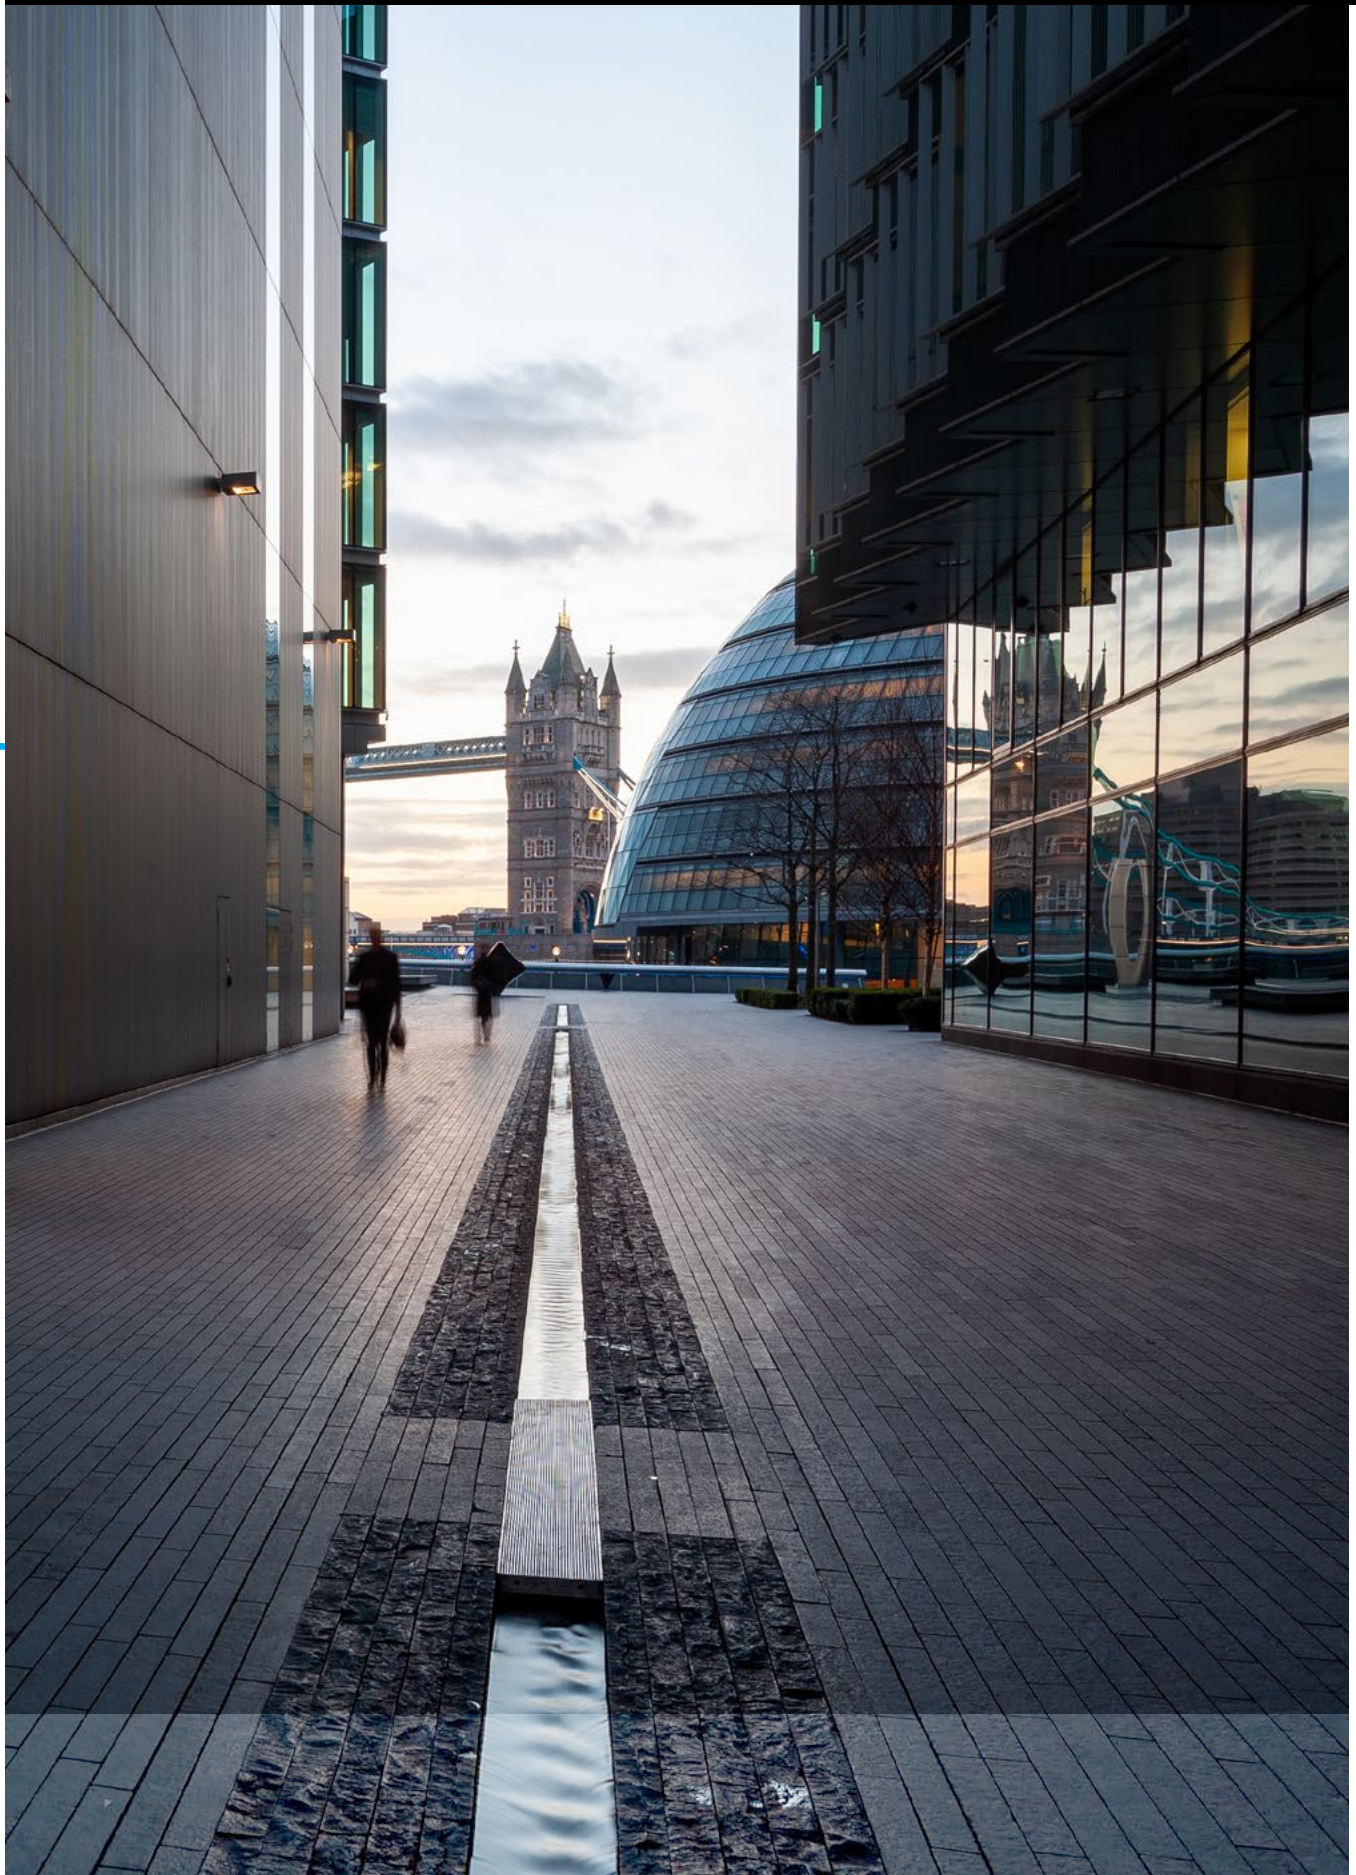

Manage your boardroom risks

Being risk-aware is important.
But being risk-prepared is vital.

You want to protect your organisation and your leadership from risk — and that takes more than internal expertise. You need a partner who truly understands your organisation's needs. A partner who is always looking ahead. And a partner who can prepare and protect your executive leadership from the challenges of today and tomorrow.

Lockton's Professional and Executive Risk team is your partner. Comprised of highly qualified risk and insurance professionals from around the globe, we see risk holistically and deliver tailored coverage for your professional, executive, financial, and cyber risks.

The result: an executive leadership team that has the peace of mind and confidence to drive business forward, knowing we'll always have your back.

A partner who always puts you first

When you choose Lockton, you'll be working with passionate risk professionals who always put your needs first.

Because our team is dedicated to managing executive risks, we understand the unique challenges you face and the latest trends impacting your business.

Lockton is privately owned — we have no external investors or outside interests to answer to. This means that we're completely free to act in your best interest and are always focused on finding the best solutions for your specific needs and risks.

From day 1, our priority is you. Our dedicated team works closely with you to ensure your interests are championed in every insurer interaction.

With Lockton, it's personal.

Claims management

How an insurance program responds in the event of a claim is the true test of an insurance partner.

Our emphasis on knowledge exchange and resource sharing, while having a globally connected network of claims professionals, ensures you get everything you need when you need us most.

Our experience and attention to detail enable you to get the dedicated claims support your business needs. The many ways we help you with your insurance recoveries include:

Working with you on claim notifications, providing strategic advice.

Supporting you through any insurer investigation, managing the flow of information.

Helping you with coverage analysis, reviewing claim circumstances against policy wording and advising on recovery.

Assisting with justification, providing best- and worst-case loss estimates, pushing for confirmation of liability, and advocating for interim payments to ease cash flow.

Helping craft a settlement strategy, negotiating on your behalf with insurers and technical experts, such as mediators.

Conducting regular claims reviews to monitor progress and settlements, loss frequency, trends, and opportunities for strategic risk management intervention.
